DESIGN NO. 0097-c2

A NEW LOOK AT BABE

## PRINCIPAL CHARACTERISTICS

Length Overall	30'-6"
Length at DWL	27'-6"
Beam, Maximum	8'-3"
Draft, Maximum	5'-6"
Displacement, Light	5,640 lbs
Ballast	2,400 lbs
Sail Area	460 ft <sup>2</sup>
Fuel Oil	12 gallons
Fresh Water	13 gallons
Holding Tank	6 gallons

## CONSTRUCTION

FRP/foam core sandwich hull & deck  
E-glass and vinylester/polyester resin with cross-linked PVC structural foam core  
Solid FRP laminate on centerline  
Lightweight FRP/foam core bulkheads & interior  
Solid FRP laminate keel sump, engine pan, and hull structural grid  
External lead keel mounted to molded keel sump  
Core removed or substituted with high density in way of deck hardware and thru-hull fittings

## PROPULSION

Yanmar 2YM15xSD20, 14hp diesel & saildrive  
Yanmar keyless B-type instrument panel  
Vetus Sisco single lever throttle  
Insulated FRP removable engine box

## ELECTRICAL

(2) AGM Group 27 90Ah 12V batteries  
Yanmar 35A/12V alternator  
Blue Sea Systems 360 12V distribution panel  
Blue Sea Systems manual battery switch  
(2) 12V electrical sockets  
Electrical wiring to be ABYC compliant

## ELECTRONICS, COMMUNICATION & NAVIGATION

Ritchie X-Port Tactician compass  
Aquadigital bicolor LED bow light  
Aquadigital LED stern light  
Aquadigital LED mast/anchor light

## AUXILIARY SYSTEMS

Scandvik stainless steel oval sink  
Fynspray compact chrome pump faucet  
Igloo 25 quart marine ice chest  
13 gal Plastimo bladder water tank  
12 gal RDS aluminum fuel tank  
6 gal Vetus polyethylene holding tank with gravity overboard discharge and pump-out capability  
(3) Stainless steel deck fittings (fuel, water, waste)  
Jabsco Twist'n'Lock compact manual head  
Whale Super Sub 650 gph automatic 12V bilge pump mounted in keel sump  
Whale Urchin manual bulkhead-mounted bilge pump located near helm in cockpit  
Marelon thru-hull seacocks throughout  
Plumbing to be ABYC compliant

## STEERING & RUDDER

FRP/foam core rudder blade with aluminum rudder stock  
Jefa twin self-aligning roller bearings in FRP tube  
Rudder Craft laminated wood tiller

## SAFETY EQUIPMENT

Orion Coastal Locator Plus 4 signal kit  
(4) Kent Type II adult life jackets  
Cal June Type IV ring buoy & bracket  
(2) Kidde B-I, 2-<sup>5</sup>/<sub>8</sub> lb, fire extinguishers  
West Marine 2.0 medical kit  
All safety equipment to meet USCG regulations

## OUTFIT & FURNISHING

Double-hinged frosted acrylic panels set into bulkhead ring frame  
Sunbrella marine upholstery in solid color  
3" reticulated foam, box-edge, settee and forward v-berth cushions  
Removable main salon settee backrests, padded and upholstered, for dual use as lee boards  
White v-groove hull ceiling panels throughout  
Wood fiddles on counters and settee faces  
Wood caps on bulkhead ring frames  
Wood handrails on overhead & exterior  
Wood sole panel inserts

# SPARKMAN & STEPHENS

DESIGN NO. 0097-c2

A NEW LOOK AT BABE

Wood companionway steps on engine box  
Hinged doors on forward bulkhead, outboard of head, and below sink  
Sliding mirrored doors outboard of sink  
Storage access hatches with integral cubbies on aft bulkhead  
Storage access seat top lift-outs throughout  
(4) Taylorbrite LED reading lights

## DECK HARDWARE

(2) Harken self-tailing radial coachroof winches  
(2) Spinlock XAS triple rope clutches  
(2) Seldén three-sheave deck organizers  
(3) Seldén swivel cam-cleats in cockpit cubbies for jib sheet, backstay, and jib furling line  
(2) Harken 8" lock-in winch handles with holders  
Wood flagstaff, ensign, and deck socket  
(4) Stainless steel cockpit sole drains  
(6) Stainless steel 8" cleats and rubstrakes  
(6) Seldén folding stainless steel padeyes  
(1) Seldén fixed stainless steel padeye at bow

## WINDOWS, PORTS, & HATCHES

(6) Flush tempered glass frameless portlights  
(1) Acrylic double-sliding companionway hatch  
(3) Acrylic companionway hatch drop boards  
(2) Cockpit seat flush FRP/foam core hatches  
(1) Lazarette flush FRP/foam core hatch  
(1) Lewmar Low Profile 60 foredeck hatch  
(1) Anchor locker FRP/foam core hatch

## ANCHORING, MOORING & OUTFIT

Wood toe rail mounted over hull-to-deck joint  
7 lb Fortress aluminum anchor (FX-11)  
100' x 1/2" diameter nylon anchor rode  
6' x 5/16" anchor chain  
(2) Bow & stern lines, 25' nylon, 1/2" diameter  
(2) Spring lines, 35' nylon, 1/2" diameter  
(3) TaylorMade 8" x 20" vinyl fenders  
(1) Floating boat hook

## PAINT, COATINGS & FAIRING

Topsides: Evercoat gel coat, Light Grey  
Deck: Evercoat gel coat, White

Non-skid: Evercoat gel coat, Oyster White  
Boot stripe: Evercoat gel coat, White  
Cove stripe: Awlgrip, Dark Gray  
Bilge: Interlux BilgeKote or Evercoat, White

## SPARS & RIGGING

Seldén aluminum mast, tapered, deck stepped with compression post below  
Seldén aluminum boom with single line slab reef system and outhaul  
Seldén aluminum swept-back spreaders  
Seldén 1x19 stainless steel wire rigging  
(3) Stainless steel chainplates  
Seldén double main halyard/topping lift sheave  
Seldén double jib halyard sheave  
Seldén single spinnaker halyard sheave with lead  
(4) Seldén halyard flip-flop blocks at mast base  
Seldén MDS mainsail car system  
Seldén 10:1 below-deck backstay adjusting system  
Seldén 6:1 gross mainsheet tune  
Seldén 24:1 fine mainsheet tune  
Seldén high beam 22mm mainsheet traveler track  
Seldén 4:1 windward sheeting traveler car system  
Seldén 30mm self-tacking curved jib track and car  
Seldén 4:1 jib sheet  
Seldén Furlex 200TD through deck furler  
(8) Seldén thru-deck blocks used below deck on bulkheads for jib sheet and furling lines led aft  
Seldén 4:1 Rodkicker gas spring vang  
Burgee halyard and block  
Running rigging package complements hardware

## SAILS

Full-batten mainsail w/ single slab reef  
Furling jib, self-tacking, 90% LP

## OPTIONS
